

Which of these schemes was Enron NOT involved in?

- ☐ selling assets to shell companies at the end of each month, and buying them back at the beginning of the next month to hide accounting losses
- ☐ causing electrical grid failures in California
- ☒ illegally obtained a government report that enabled them to corner the market on frozen concentrated orange juice futures
- ☒ conspiring to give a Saudi prince expedited American citizenship
- ☐ a plan in collaboration with Blockbuster movies to stream movies over the internet
